

Montag Oil, Inc.

2528 S. E. Holgate Blvd.
Portland, Oregon 97202-4790
CCB#:000198 DEQ#: 16645

January 22, 2001
Volume 3, Issue 1

Decommissioning Data

Need to Close a Deal Yesterday?

We can help to answer all heating oil tank questions! Ask us about soil samples, slurry method vs. sand and gravel, equipment used at clean-up sites, decommissioning certification, clean-up of contamination, locating underground oil tanks and pumping oil out of unused tanks.

Tips of the Month

- ◆ *Always demand out-of-house soil testing.*
- ◆ *DEQ involvement is still voluntary in most cases.*

Specialties

- ◆ 24 Hour soil sample results
- ◆ Complete gas conversions including furnace installations and tank decommissioning
- ◆ DEQ Certification
- ◆ Tank Removal
- ◆ Contamination Clean-ups
- ◆ DEQ "No Further Action"
- ◆ Tank Installations

Greg Mackay
DEQ Licensed Supervisor
Project Manager

Montag Oil, Inc. will work with escrow to keep your out of pocket money to a minimum!

Important Notes

- ◆ The Montag family has been in the heating and cooling business in Portland since 1884. They continually alter their business plans to identify with the current market place.
- ◆ Montag Oil, Inc. is one of the contractors licensed to certify the completion of clean-ups and in-place decommissioning.
- ◆ In most situations, **this certificate** can be issued within five working days after the contractor guarantees completion of the project.
- ◆ UST Supervisor #: 15749
- ◆ Fax: (503) 234-4304
